

# Seed Saving

with Maria Page

A practical, visual and hands-on experience  
to become familiar with how to  
**save, grow, store & share seeds.**

I have been passionate and actively saving seeds for over 10 years. Having co-ordinated the Permaculture Noosa Seed Saver group for a couple of years, encouraging others to save and share seeds. My connection to plants and seeds continues and I am inspired to share my knowledge with others.

You will gain practical skills on saving seeds and tips on how to grow from seed. Taking a few seeds with you!

Morning tea will be provided while we sit together and connect.

When: **Sun 16 April 2023** OR **Wed 19 April 2023**

Time: 9am – 12pm (arrive 8.45am)

Where: Cootharaba

**Cost: \$30 per person** (pay on the day)

**Secure your booking** before 14 April 2023 with an email and preferred date. Address will be given with confirmation.  
Limited numbers for small group.

Please do not share on social media. This is **by invitation only**. If you know someone interested, please pass on my email address.
